T20064

Specifications

- **Cabinet**
Black Texture finish.
- **Dimensions: 18¾" H, 19" W, 18" D**
- **Approx. Shipping Weight: 60 Lbs.**

Remote

► NITEglo™ Backlit Remote with Sleep Timer Button CRK230DL

The backlit controls make nighttime viewing easy to control TV volume, channel scanning, mute, and sleep timer.

Picture

- **Dynamic BlackStretch Circuitry**
Extends black levels in bright scenes to enhance contrast and detail.
- **Dark-Tint, High-Contrast Picture Tube**
Dark glass picture tube delivers outstanding picture contrast for blacker blacks, brilliant whites and deep rich colors even in bright room conditions.

Convenience

- **⏮ Commercial Skip**
Countdown timer returns TV to original channel, so other channels can be browsed during program breaks.
- **Non-Volatile Memory**
In case of most power outages, the picture adjustments and channel selections are stored in electronic memory.
- **On-Screen Menu System**
On-screen displays make it easy to adjust most picture, sound, and convenience features from either the remote control or the TV front panel buttons.
- **On-Screen Time and Channel Display**
Displays time and channel number during channel change or at the press of a button.
- **Programmable Timer System**
Convenient scheduling system can be used in a variety of ways:
 - **Sleep Timer**
Automatically turns off the TV after a preset time period — for those times when you drift off to sleep in front of the television.
 - **Alarm Timer**
Wake up to your favorite morning show or turn on your television automatically to catch your favorite program.
- **Trilingual On-Screen Display**
Allows the on-screen menu system to be displayed in one of three languages (English, French, or Spanish).

• **Caption Vision** **Closed Caption Capability¹**

Assists the hearing impaired, helps children learn to read, and aids in the teaching of English as a second language. Built-in Closed Caption Decoder displays the audio portion of a program as text on the TV screen (when program is aired with the encoded signal).

• **Advanced Auto Channel Search**

Auto Cable/Air Switch sets tuner to cable or "off-air" frequencies during initial setup. Then system automatically scans for and locks active channels into channel memory.

• **Auto Clock Set²**

The Auto Clock Set² circuitry reads the XDS broadcast signal containing time of day and date information, automatically setting the clock during initial setup as well as after most power interruptions.

VCR Capabilities

► **AccuSearch™ 4-Head Video System**

The double-azimuth video system produces superior, jitter-free special effects for a clear and stable picture during still/pause, slow motion and forward/reverse search.

• **8-Event/1-Year Programmable Timer**

The built-in timer memory can be preset up to one year in advance to record as many as eight different programs automatically.

• **Auto Power On, Auto Play, Auto Rewind, Auto ShutOff**

Simply inserting a cassette in the VCR turns it on (Auto Power On). When a prerecorded cassette is inserted in the VCR, it automatically starts to play (Auto Play). When the end of the tape is reached, Auto Rewind automatically rewinds the tape. If the VCR is turned off during rewind, it will continue rewinding until end of tape is reached, then shut off.

• **Auto Repeat**

Automatically rewinds at the end of the tape and then begins replay.

• **Auto Tracking**

Allows playing of most VHS tapes without the need for manual tracking adjustments.

• **Frame Advance**

Allows the user, while in Pause or Still Frame modes, to advance the tape one frame at a time.

• **Simplified On-Screen Programming**

With the RCA remote control and on-screen displays, all timer programming can be done from the convenience of your chair. On-screen instructions guide the viewer through each programming sequence.

• **Slow Motion**

- One speed forward.
- One speed reverse.

• **Quick-Start Mechanism**

As soon as a tape is loaded into this VCR, it starts to play.

• **Real-Time Counter**

Displays exactly how long the tape has played or recorded to make locating segments easier.

• **Zero Search**

Allows quick return to a timer counter reading of 0:00:00. Convenient for watching a segment of tape several times.

Connections

► **Front Audio/Video Inputs**

Allows quick, easy access for direct audio and video connections for additional VCR, video game or video source.

► **Headphone Jack**

Plus

• **Limited Warranty**

- 90 days for labor charges.
- One year for parts.
- Two years for picture tube.
- See RCA dealer for complete details.

1 This television receiver provides display of television closed captioning in accordance with §15.119 of the FCC rules. This television receiver does not support color attributes of television closed captioning.

2 Subject to availability based on local off-air and cable broadcasts.
